ARMIJO
HIGH

FAIRFIELD, CALIFORNIA

FOREWORD

Who is an Armijo Indian? Braves and Indians populate hundreds of High Schools throughout the United States in tribute to the original inhabitants of America. The qualities of fearlessness, loyalty, stamina, and perhaps the tribal sanctions for chanting, dancing, and yelling invite youth to belong. The Armijo Indian has a special blessing. In 1839 when Jose Francisco Armijo received a Mexican land grant to the property on which our school stands, He was advised that "through no motive whatever should he molest the Indians who were located there, nor the immediate neighbors with whom he would adjoin."

Records of old Indian ways and days are hard to come by, but here in picture and story we offer the life of the Armijo Indian - serious, gay, noisy, cared for - the tribe of '62.

MRS. VIRGINIA SCARDIGLI

DEDICATION

Each year Mrs. Scardigli dedicates herself to the Yearbook as our advisor so we decided that it would be a pleasant surprise to dedicate the 1962 La Mezcla to her.

Production of the yearbook has occupied many of her afternoons, evenings and Saturdays. If it weren't for her help and never-failing confidence in us, many yearbooks would have never reached the press. Besides her job as our advisor she has a full schedule of English classes.

This dedication is just a small part of the appreciation due from all staffs and students who have worked with, not under Mrs. Scardigli.

SUPERINTENDENT
Mr. John C. Lucas

THE BOARD OF TRUSTEES

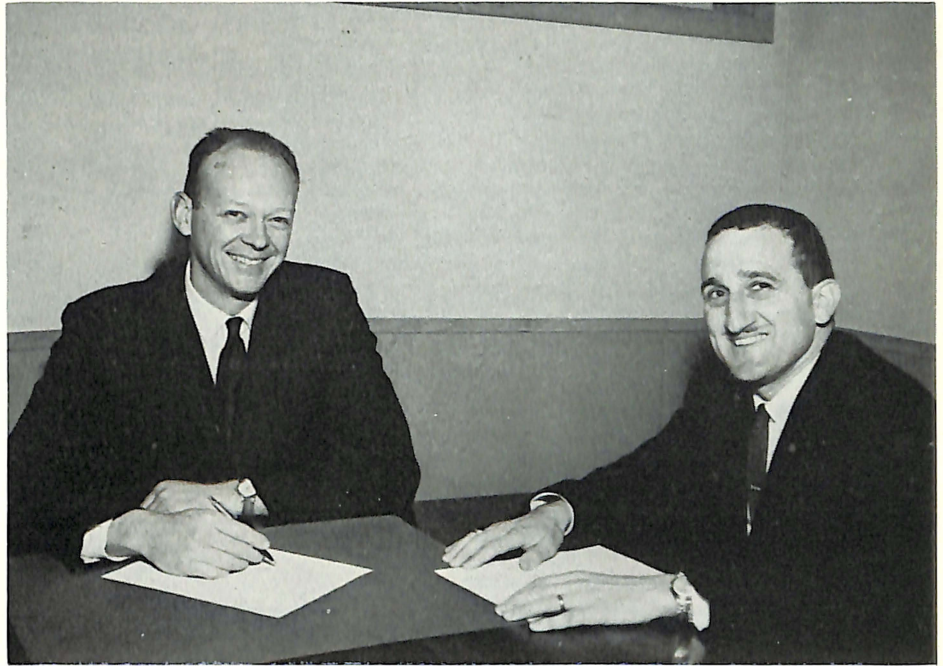

Left to Right: Mr. Chet Monez, Dr. William Nesbitt, Mr. Ben Oliver, Mr. Bennie Low, Mr. David Hale, Mr. John C. Lucas, Secretary to the Board.

The rapid growth of the Armijo District has meant new responsibility for the hard working Board of Trustees. Two meetings a month are set aside to tend to school business, policies, the problems of the present, and educational plans for the future. Following last July's school bond election, property at Travis Access Road and North Texas has been purchased for the District's much needed second high school.

ADMINISTRATION

PRINCIPAL
C. Eugene Smith

VICE PRINCIPAL
Sam Tracas

DEAN OF INSTRUCTION
Bright Greiner

DEAN OF STUDENTS
Tom Bushey

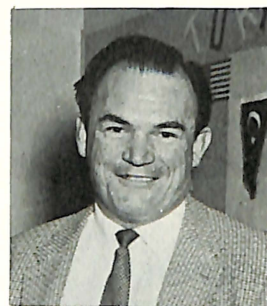

Along with the expanding school population-a jump from 1248 to 1478 this year-the administrative staff has increased in number in order to provide a greater quality of education for a greater quantity of students.

GUIDANCE

Checking a student folder are Mr. C. L. Hunt, and Mr. Dennis Miller, Freshman boys, and Mr. Paul Miller, Junior boys.

The Guidance Department begins its school year with Spring registration of eighth graders. During hot Fairfield summers counselors assign students to classes where the I.B.M. leaves off. As school opens they pick up the never-ending tasks of academic, vocational, and personal counseling, testing, program changes, scholarship seeking, parent and student conferences and innumerable staff meetings.

Head Counselor Mr. Charles Plastino, also takes care of Sophomore and Senior boys.

Before the giant class-size chart are Miss Orma Melton, Sophomore and Junior girls, Mrs. Dorothy DeTar, Senior girls, and Mrs. Marian Wilson, Freshman girls.

HEALTH

Master of health and insurance forms, student class rolls, ADA data, dispenser of band-aids, ice packs, calomine lotion, Ace bandages, Senior caps and gowns, perceptive advice, but no aspirin, Mrs. Virginia Arvin, school nurse, is a department to herself. Her office contains the only refrigerator outside of the cafetorium, and at noon converts to a faculty lunchroom to be interrupted for emergencies only.

THE DEPARTMENTS

This year's faculty are presented as members of departments, subject groups which conduct the out of classroom business of teaching - the ordering and examination of texts and supplies, the development of new courses, curriculum and study plans, the exchange of teaching techniques, philosophies and general information. At least a dozen teachers at Armijo teach in more than one department; we have tried to identify them with their major responsibility.

Each department head disseminates and collects department information and attends a monthly meeting with the administration to discuss problems, plans and policies for his department and for the total school program.

MATHEMATICS

Armijo provides a broad background in basic math courses and in addition offers trigonometry, analytic geometry, and a bit of calculus to University Science and Math majors. The department seeks out the latest teaching methods to help students get the most out of their courses whether they intend further studies or not.

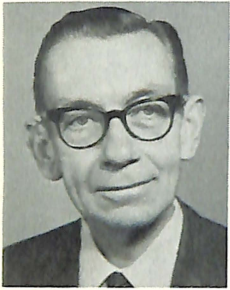

Mr. Ray Reigel, Mr. Conrad Shepherd, Mr. Harold Shepard, Mr. Paul Ashdown, Mr. Allen Branch, Miss Rebecca Lum. SEATED: Mr. Leon Neasbitt.

Department Head
MR. LEON NEASBITT

ENGLISH

Department Head
MR. F. CAMPBELL JULEFF

The English department, one of the largest and most vital in the total education program of the school, supervises forty-three classroom hours of teaching daily. In addition to required English courses (three years for graduation, four for college preparation) the department has a range of specialties--remedial reading, two semesters of composition, speed reading, journalism, yearbook, speech and public speaking designed to increase proficiencies in the language arts.

Miss Marge Hackett demonstrates a controlled reading device from the speed reading class to Mrs. Mildred Edmonds, special education instructor.

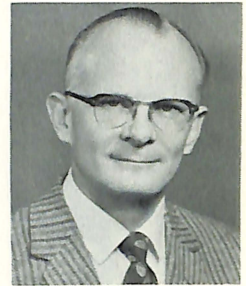

Mrs. Betty Harvey, Miss Hazel Henry, Miss Ouida Arnold, Mr. George Gross, Mr. Marvin Grasse, Mr. Darrel Anderson, Mr. James Dieter, Mrs. Virginia Scardigli.
SEATED: Mr. Campbell Juleff.

SOCIAL SCIENCE

Mr. Dennis Miller, Mr. C. L. Hunt, Mr. Dan Root, Mr. Theodore Biggs. SEATED: Mr. Bob Roden, Miss Harriet Hart, Mr. John Beggs.

Department Head
MR. HERBERT CROW

Social science courses this year have been extended to cover a wider yet more precise field. In addition to required courses, the department offers a year of world history, and semester courses in contemporary history, California history, psychology and college study techniques.

A variety of teaching techniques has heightened the interest and value of college-prep courses. Lectures, audio-visual materials, team teaching, and field trips have brought the subject matter into closer focus.

Mr. Herbert Crow, Mr. George Aldridge, Mr. Jack Collins, Mr. Ivan Collier. SEATED: Mr. Bob Roden, Mrs. Elizabeth Stewart.

FINE ARTS

Mr. Kenneth Brown, Mr. Jacque Bakke, Miss Harriet Hart, Miss Mary Pedri, Mr. Robert Briggs.

Teachers of music, arts and crafts meet together as the Arts Department at Armijo. The subjects offered provide both a general arts and fine arts major as well as many popular electives. More than any other areas, the art department is in the public eye with vocal and instrumental concerts, pep band performances, dramatic presentations, the arts and crafts show case, and the annual school decorations for Christmas. New semester courses this year include advanced crafts, pottery and sculpture, drama, speech, free hand drawing, figure drawing, and general art.

The participator in music and drama gains an added appreciation of great entertainment.

HOME ECONOMICS

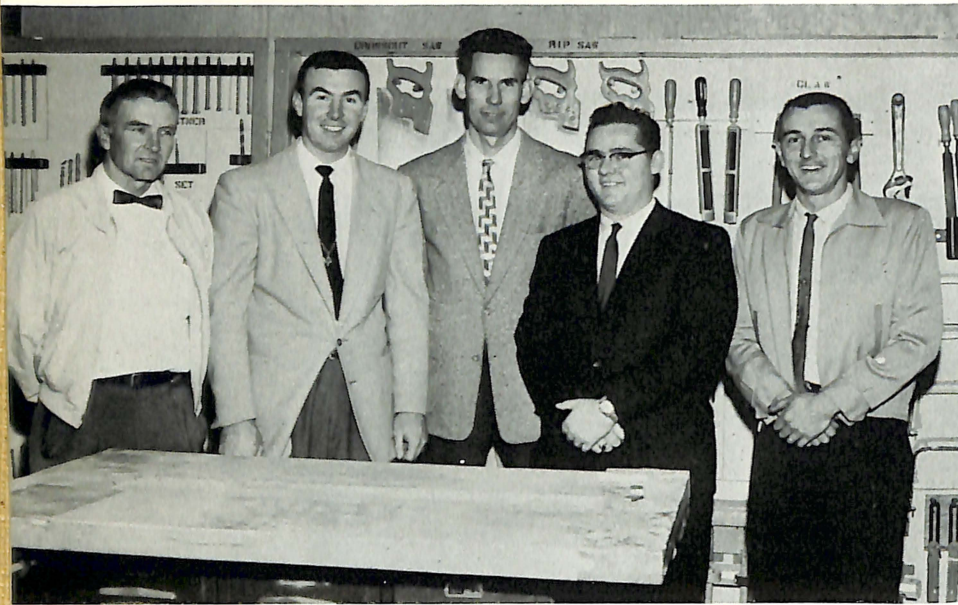

Mrs. Beverly Urner, Mrs. Wilma Frick, Mrs. Marian Wilson, Department Head.

Armijo's Home Economic courses develop homemaking skills. Food, nutrition, cooking, fabrics and sewing, hosting and child care are explored in the classes. These subjects give valuable aid to future homemakers-- they provide the mechanics of family life. The department sponsors the Future Homemakers of America, a large active club which preserves and advances this area.

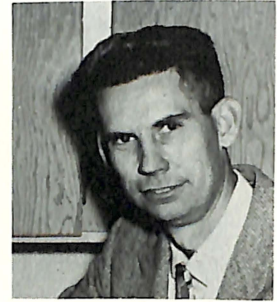

Food preparation requires mechanical skills as well as good taste.

INDUSTRIAL ARTS

Mr. Wesley Pangburn, Mr. Earl Olson, Mr. John Brown, Mr. Edward Welsh, Mr. Albert Maddalena.

Department Head
Mr. John Brown

Armijo's Industrial Arts program teaches students the basic skills for the builders of America. Over the years the department has expanded from simple wood-working to include auto mechanics, metal work, drafting, and this year two new courses in electricity and electronics. The department has more than \$50,000 invested in lathes, drills, saws, drafting tables and special equipment for the Industrial Arts major and for students with mechanical interests.

Instructor
Mr. Oscar Sumner

AGRICULTURE

The Agriculture major at Armijo combines a theoretical and practical approach to crop production, animal husbandry and farm mechanics. This year the students have built a barn two miles past the site of the second high school where they have kept their lambs. The tool room and shop have been remodeled. Most students are engaged in home projects.

SCIENCE

Department Head
Mr. Anthony Rosales

Mr. Ford Brown, Mrs. Myrlee Kleinkauf, Mr. James Court, Mr. Anthony Rosales, Mr. Bruce Sheldon, Mr. Timothy Federoff.

The world of science moves forward rapidly in this changing world of ours. Armijo advances too in this field by offering more courses for the student with an enquisitive mind. For the first time Armijo students can take courses in air science, earth science, and even photography, besides the usual science department program and an intensive research and experiment courses for advanced pupils. Armijo is determined to keep pace with the changing demands of a constantly progressing nation, world, and universe.

Pictured in the faculty workroom away from their department groups are Mr. Jerry Hayward, history and driver training teacher; Mrs. Ruby McCall, English; Mr. Gerald Spitzer, science; and Mr. Kenneth Sanguinetti, commercial subjects. Not pictured is Mr. Tom Kiefer, social science teacher.

COMMERCIAL

Mr. Robert Jorritsma, Mr. Ray Tewell, Mr. Earl Pilgrim, Mr. Paul Miller, Mrs. Margaret Jordan, Miss Dorothy Mittleider, Miss Helen Tingey. SEATED: Mr. Robert Waters.

Department Head
MR. ROBERT WATERS

Armijo's Commercial Arts program prepares students for jobs in the business world on graduation and also prepares students for advanced commercial studies at the college level. New courses offered this year are in business law, economics, speedwriting, merchandising, and consumer problems. Constant reference to the latest business methods and machines keeps the department on its toes to provide skill, drill and understanding of commercial practices.

Head Librarian
MR. FRANK LaPLANTE
Library Clerk
MRS. DOROTHY STEVENS

LANGUAGE

STANDING: Mrs. Martina Flack-Aznar, Mr. Jorge Morgenstern, Mr. Gerald McDevitt, Miss Elisabeth Lopez. SEATED: Miss Genevieve Carlson, Mrs. Josephine Bergeron.

Department Head
MISS GENEVIEVE CARLSON

As the world grows smaller the need for foreign languages grows larger. Armijo, which offers French, Spanish, German and Latin, has the largest language department in the area. A large language laboratory which allows students individual and group practice in pronunciation and the development of listening skills is the envy of many schools. Armijo offers semester courses in Conversational French and Spanish.

LIBRARY

From a meager 400 volumes when the library opened last year, it has expanded to over 4,000 with room for more than 10,000 books. The library subscribes to some 126 different periodicals, including some in French, Spanish, and German. Armijo's library also hosts the "Freedom Shrine," reproductions of significant historical documents. Our athletic trophies are also on display there.

PHYSICAL EDUCATION

Department Head
MR. EDWARD HOPKINS

"Women are soft" is a commonly accepted statement, but the girls' Physical Education teachers are out to prove otherwise. The girls participate in a rigorous program of team and individual sports, modern and folk dancing, tumbling and apparatus work. On certain days the girls receive courses in health education.

Miss Ruth Reed, Miss Joyce Bachtis, Miss Rebecca Lum, Mrs. Dorothy DeTar.

Mr. Edward Hopkins, Mr. Ronald Thompson, Mr. Orven Iverson.

The announcement of the President's physical fitness program caused schools all over the country to evaluate their physical education offerings. Armijo's program of graded skills and abilities and health education proved well above the recommendations, yet Director Hopkins works constantly with his staff to improve their program. In boys physical education, student progress in skills is marked by the color of shorts - white, purple, and finally red. A few special teacher-assistants wear gold trunks.

The Physical Education Department is also responsible for the Driver Training program of behind-the-wheel instruction and the Armijo Cadet Corps.

SENIOR CLASS HISTORY

Armijo was full of new experiences for our class that fall of 1958. We went to classes in the old Union and Texas school, the annexes on Washington, and the "B" wing - the only completed wing of our new campus.

Mountains of unexcused tardies were issued that year. Since we had to cross Texas, we had cadets to direct traffic. How many times we waited for the endless stream of cars to pass and heard the tardy bell ring in the distant annexes. Finally, Mr. Smith paced the walk and extended the passing time between classes.

This was the first year for the "Frosh-Soph Scramble". Proving a success (we won), it is now a tradition at Armijo. Larry Santaella, JoAnne Simonds and Beverly Lozano were elected as our first class officers.

Most of us had attended the annual Homecoming game while still at grammar school, but this was the first year we were able to take part in it. We won the competitive sale of student body cards which gave us the Homecoming concession to start our class treasury. We chose Jackie Bird as Freshman attendant to Queen Sherrie Lane. Later that year the basketball teams selected Shirley Bubak to reign with Linda Gosselin at the Basket Ball.

In our Sophomore year we moved into another part of our new campus - the "C" and "A" wings. It was necessary to install a traffic light to cross Texas Street. That year we completely abandoned the annexes; a few classes were still held in the old building.

With Dennis Regan, Chuck Bell and Shirley Bubak as our elected leaders that year, we sponsored the Sophomore Hop - Aqua Wonderland. It was a big splash and we received many compliments. Penny Poteet represented us at Homecoming to preside with Queen Vicki Bird.

Because a school tax bill had been turned down we were doing without rooters buses entirely, our dances and assemblies were limited, textbooks had to last another year and a general austerity program was in force. Students, teachers and parents all worked to get out the vote for a second time. A big "Tax Bill Passed" sign on the gym celebrated the victory.

The year 1959 was the first year that Armijo had a foreign exchange student - Marianne Vigre, from Sweden. Her personality, ability, and sense of humor won for her the office of Spring Student Body vice-president.

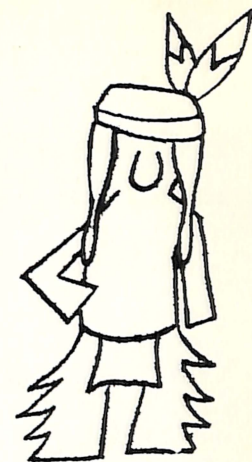

Gloria Gimzo was chosen to reign with Miss Basketball, Carolyn Creager that year. We spent the summer preparing to become upper classmen.

Our Junior year, 1960-1961, we elected Richard Searcy, Rusty Lambert and Bonnie Marshall to lead us. This was our first year on one complete campus. We selected the Esquire style class rings which arrived just before Christmas. Our class certainly stood out that week. Practically all of us walked around with hands in front

of faces admiring the new rings. Oh, that Junior year! We finally got rooters buses; a large language lab was added in "B" wing; Diane Reguera was chosen attendant to Homecoming Queen Phyllis Egolf; we had two different "bomb" scares take us out of classes, but unfortunately we had to make up the time lost; the Junior class went on strike at the last rally and refused to yell; we were hosts at a beautiful Junior-Senior Ball; the varsity won the Faculty-Varsity game.

Our Senior year finally arrived. We gasped at the size of the incoming freshman class - 550 of them - but it did not take long

to regain our Senior composure. Chuck Bell, Ellen Hawley and Suzy Lane won the coveted senior officer positions. Fall Student Body officers were Rusty Lambert, Skip Demuth and Bonnie Marshall; Spring officers: Ron Hudak, Mehmet Artun and Sharon Smith - Ruth Hawkes was treasurer.

Mehmet Artun from Turkey, our foreign exchange student, entered into student activities with great vigor and wrote and talked often of his homeland.

Probably no class at Armijo since that of 1915 has witnessed to many changes in size, course content and pattern of school days as the class of 1962. The school has almost doubled in size, a summer school was instituted in 1961, there are no more homerooms, a choice of a six or seven period day is offered, a split lunch period, many new one-semester courses, a short Christmas holiday, but a June 1 graduation day.

With all of the new, tradition still dictates most of the closing events of the Senior year. Senior Skip Day, with all its surprizing sunburn; the Junior-Senior Ball, which we gave last year and this year is given for us; the Senior Banquet with the boys still eating like growing Freshmen and the girls looking as though they had never carried a binder and a load of textbooks; the Senior Edition, full of brickbats and bouquets; the serious, meaningful Baccalaureate service on Sunday afternoon; the hours of rehearsal; the Awards Assembly; the signing of yearbooks and finally - the BIG NIGHT.

What is so rare as that night in June? Words and music come in waves mixed with meaning, memories, reveries and dreams. We rise on shaky ankles with clenched teeth and bobbing tassels - row on row of diplomas pass from hand to hand. The music swells again.

We join our families, friends and teachers, make plans for the coming all-Night Party and Breakfast. We receive congratulations and try to express our gratitude for all the help that has been given up through our school years.

The Class of 1962 is graduated.

The band was again under the direction of Mr. Biggs.

The requirements and training regime for Armijo's Cadet Corps are rigid. Members must meet physical tests equal to the P.E. Department's purple trunks and need an active interest to maintain their schedule. On hand to patrol student body events, the group also performs at P-T-S-A. programs, the East-West game, and for the Exchange Club. The annual bivouac tests endurance skills.

OUR FOREIGN STUDENT

MEHMET ARTUN

Mehmet sits with our band to watch a Cal football game in Berkeley.

One of seven American Field Service students in Solano County this year, Mehmet Artun of Turkey is Armijo's second foreign student. There are over 400 in California, and a total of 2,225 in the United States from fifty foreign lands. Dr. and Mrs. Milton B. Smith of Fairfield and their family have provided an American home for Mehmet during his year at Armijo.

A MESSAGE FROM MEHMET

"Armijo," a wonderful name that I will remember all through my life. Armijo is the school that taught me the United States of America. All of you students were my friends, and with your help I had a wonderful year.

Being a vice-president of the student body was a great experience. I tried to tell you about Turkey by answering your questions, as you helped me by answering mine. This is an example of an international friendship, which, I hope, will never end.

There are many things I will remember about my stay in the United States. My American family, the M. B. Smiths, who opened their home to me, are first on the list. I will remember the hail storm coming down the mountain in Yosemite Park; taking my first skiing lesson at Squaw Valley with a four year old girl who was better than me. The sights of San Francisco will always be in front of my eyes. I am sure I will also always remember the competition yells of the rallies, the excitement of the games, the talent shows with the Indians - and Yo-Yo's. When I remember these events, I will miss all of you.

I am looking forward to your letters and especially for you in Turkey. Give the address written below to any taxi-cab in Ankara and you'll be at my home.

Good-bye and thank you very much for the wonderful year.
I hope I'll see you in the future.

Good luck to all of you.

My boarding school,
the American College
in Tarsus, Turkey.

This year the Fairfield Chapter of F. F. A. has been active in serving their club, school, and community. Members attended the Cow Palace Junior Livestock Show in April with exhibits. All members work on special projects which help them develop competent, aggressive, rural and agricultural leadership. The club constructed a Homecoming float and a park sign for the city of Fairfield. Two representatives were sent to the State F. F. A. Convention.

WHOOOP BOOM AHHH! V V VICTORY! Cheers led by our Varsity Cheerleaders echo from field and court. The quartet yell themselves hoarse at games and rallies. Precision and pattern marching is performed by the Armijo Girls' Drill Team at halftime ceremonies for many of the football and basketball games and at special occasions. The team is directed by Miss Reed; original routines are worked out by the director and drill leaders, Leona Grace and Edith Ferrari. These have included routines with the Twist, Charleston and Pony and a coordinated marching and maneuver with the Cadet Corps Drill Team. The girls performed their steps between the ranks of the cadets who were spinning heavy rifles in various patterns of the Queen Anne Drill. First presented at the January P. T. S. A. meeting, the maneuver was repeated at the Vacaville exchange rally.

The 1961 season opened with a 19-0 Armijo victory over Sonoma. It was followed by a 7-7 tie with Davis, one of the roughest teams we faced. The Del Valle game was misery. Three of the first string were missing and the team just couldn't get going.

We bounced back from that trough with three well-earned wins against San Juan, Vacaville, and El Dorado. The Vaca game was our Homecoming Game. It was the first we have won since the event was started in 1956... a nice 24 to nothing score.

Victory over El Dorado was followed by heartbreaking defeat in one of the hardest fought games of the season. The Folsom game decided the League Championship; Folsom squeezed out a 21 to 13 decision to put us in second place.

Marshall went down 21 to 6, and a 25 to 7 victory over Elk Grove ended a top ranking season of good football. In the last two minutes of play against the Herd, Coach Iverson sent in an all-senior line-up. Coach Beggs stuck out his chin on the side-lines. In three well-planned plays - a run and two passes - the Indians went over the goal line; Chester Lim made the conversion point after the final gun.

The Freshman team really came into its own this year. With the exception of their opening game with Woodland, and a no-score tie on their second game with the same team, the Frosh won all games. Very few schools have Freshman teams; and the work done by Head Coach Root, Coach Spitzer, the managers and these spirited ninth-graders often goes unsung. This has been the best freshman football season in Armijo's history.

At the beginning of the '61-62 season, the team looked as though they didn't have the something it takes to win. But as soon as they started their league games, they got underway and won their next three straight. After this it looked as though we might win the league title, but our dear friends, Folsom, again appeared as the villain and walked off with the title, as they did in football.

With this heartbreaking defeat, the team still went on to win most of their remaining games. At the close of the season, the team had won eight of the ten league games and had thoroughly qualified as a real TEAM.

The team was honored with an invitation to the Yreka Invitational Tournament in Yreka. Mr. Beggs, one of our teachers, arranged for Armijo to take part in this three-day tournament.

"C" TEAM

FIRST ROW: Tony Winder, Mike Zirkle, Tyler Weeks, Chris Monson. SECOND ROW: Coach Maddalena, Leo Ragonot, Charlie Young, Harry Lear, Ken Johnson, Ralph Reguera, John Derande.

The picture of the D team was not available. Team members are: Pete Brown, Ken Kruther, Mike Lindgren, Louis Lambert, Jim Booher, Roy Hartman, Gary McCurdy, Charlie Young, Ricky Kur-aica. They were coached by Mr. Barnes.

Both our C and D teams registered a fine season this year, as they did last year. The C's won every one of their fifteen games. The D's won a majority of theirs. All the boys deserve praise for their fine performance this season.

Coach Maddalena and Coach Barnws worked hard and long preparing these two teams, which are composed of the younger ball players, many of whom are entirely new to the sport. Every one agrees that they did a wonderful job.

CROSS COUNTRY

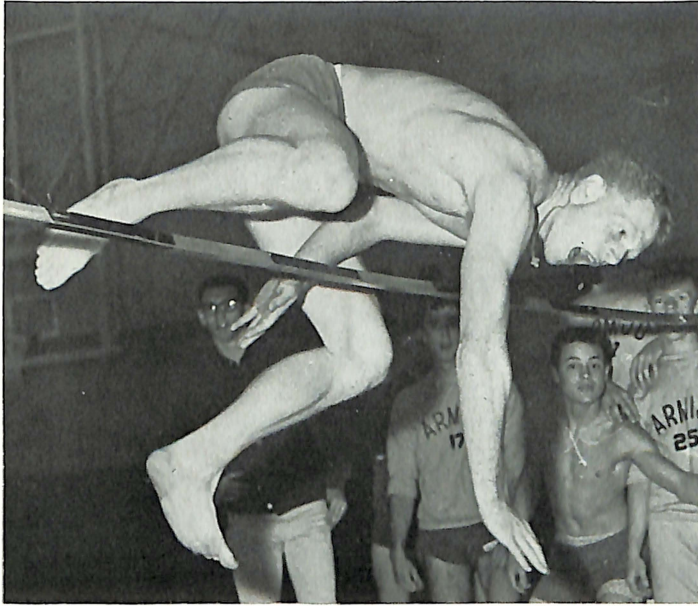

Left to Right: Coach Deiter, Terry Pusateri, Lynden Knoff, Ken Hardy, Bob Kato, Rusty Lambert, Leon Coch-rane, Larry Noble, John Kato.

This year the Cross Country team had a total of fifteen meets. Considering the fact that the Cross Country team is a new sport to Armijo, they had a very fine season this year with thirteen wins and only two defeats, and these they lost by only a few points.

Coach Deiter was a new coach with a one year old team. He deserves full praise along with the team for their outstanding success.

The baseball season has not begun as La Mezcla goes to press. The Varsity team has a fighting potential this year. We have a few boys who are outstanding and a nucleus of trained veterans. Ron Hudak, and Doyle Collins, seniors, and Tom Agrava, sophomore are expected to produce some fine pitching.

This year we have a large tennis team. Many of the boys who signed up this year are freshman and sophomores and this gives Armijo a lot of future as well as a fine team for this season. Tennis is growing more and more popular at Armijo as the large turnout demonstrates. Coach Root has worked hard with his racket squad.

STAFF MESSAGE

Planning a schedules, ad work, copy writing, picture taking, checking and rechecking build a yearbook.

Hundreds of little pictures are put together for the class pages.

The yearbook staff stops work to hear the report of Major Glenn's successful orbit and return.

The yearbook staff has a regular class period each day with Mrs. Scarigli. Besides the five class hours each week, many hours of afterschool and Saturday work go into putting the annual together.

The lack of a homeroom period this year made picture taking an ad sales difficult. We appreciate the courtesy of faculty who released students to help us.

We hope you will enjoy the added snap pages, the innovations as well as the familiar sections of your yearbook.

We take pride in presenting you with the 1962 LaMezcla.
